2. Isän Poika

[Papa's Boy]

Leevi Lemmetty, 2010, Finland/Ireland

Dialogue and Argumentation:

We respect the ideas of each other

Discuss how we can show this – what phrases can we use? ('I like your idea', 'X had a good idea' etc)

Cultural Understanding

Tolerance

We understand the importance of tolerance

Discussion Prompts

About the film:

Use group talk to discuss ideas and nominate a 'speaker' to share group ideas with the class

- *Who is tolerant or not tolerant in the story?*
- *The boy mouse was selfish as he wanted to pursue his own dreams, not follow in his father's footsteps.*

Beyond the film:

- *How can we be true to ourselves and follow our dreams but not disappoint others?*
- *How can we be tolerant of each other?*

Ideas for Cultural Expression

Create a comic strip of the story from different perspectives.
(How did the cat feel in all of this?)
