Discussion Prompts

About the film:

- *What different types of transport did you notice?*
- *What different things are people in the film doing?*
- *Could you tell what was real and what was not real in the film?*

Beyond the film:

- *What did you do today (What did you eat for breakfast? How did you travel to school?)*
- *Is every day the same?*
- *How do you spend your free time?*
