Inclusion

We can discuss the importance of overcoming prejudice to develop relationships with others

Discussion Prompts

About the film:

- *How do the two musical taps feel about the third tap's attempt to join in? How do you know this?*
- *How does this make the third tap feel? How do you know this?*
- *How did the three taps react differently to the thunderstorm? What does this tell you about the relationship between the three taps?*

Beyond the film:

- *What do we mean by prejudice? Why is it important to overcome prejudice?*
- *During hard times, why is it important that we all pull together?*
