Living together: celebration of diversity

We can discuss the idea of being different to each other

Discussion Prompts

About the film:

*Where do the hen, the elephant and the snake live? How are their homes similar?
How are they different?*

What happens when the hen and the elephant meet?

What does the hen want to do with her eggs?

What does the snake want to do with her eggs?

How does the elephant help?

Beyond the film:

How are we different to each other or 'diverse'?

How are we the same?

How can we celebrate our differences?
